

SIGNATURE RESOURCES LTD.

Announces

Trading on the OTC Pink market platform

FOR IMMEDIATE RELEASE

February 29, 2016 – Toronto, Ontario.

Signature Resources Ltd. (SGU: TSX-V, OTC-PK-SGGTF) (the "**Company**"), announces the initiation of trading of the Company on the OTC Pink under the symbol SGGTF.

This platform will serve to facilitate the trading of the Company's securities by U.S. investors in US Dollars. By design, the Company intends to upgrade its initial OTC Pink to the QB tier. The OTC-QB is a higher tier of the OTC subject to more stringent reporting standards. As Signature is a listed Company on the TSX-V, management believes it meets the eligibility requirements for the Company to apply for this higher tier status.

The management of Signature recognizes that; transparency, full disclosure and more rigid reporting standards of the OTCQB versus the OTC Pink serve to establish investor confidence in the market, principles which the Company values and advocates.

"We are pleased that Signature will be able to develop a market in the U.S. through this, which will allow U.S. investors to participate in the exploration and development of the Signature's Lingman Lake gold property", commented, Mr. Walter Hanych, President and CEO of the Company.

About the Company.

Signature Resources Ltd. is an exploration company, publicly traded on the TSX Venture Exchange (TSX-V) under the symbol SGU, focused on the exploration and development of its Lingman Lake Property, located in Northwestern, Ontario. The property is at a preliminary stage and hosts a historic gold estimate which is to be evaluated to potentially bring the historic estimate to current compliant resource reporting.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
